The mission of The American College of Greece is empowered by philanthropy. Trustees, alumni, friends, corporations, associations, foundations, church bodies, and US government agencies listed here enabled ACG in 2015-16 to:

- increase need and merit-based student financial aid;
- expand international internship and study abroad opportunities;
- support faculty scholarship;
- enhance academic and co-curricular facilities.

We are pleased to honor all those who contributed over the last year either to ACG or to the ALBA Association to support ALBA Graduate Business School at The American College of Greece. We thank these donors for their generous endorsement of the College’s mission, students and faculty in challenging times.
