

RULES OF CONDUCT

In order for a child to participate in the Summer Camp it is mandatory to submit the completed application form, the medical report and a doctor's certificate.

All applications must be submitted no later than Thursday afternoon before the week of participation. Each child must participate in the activities selected on the application form. Changes to the selected activities will be made only for significant reasons and upon the guardian's request to the Camp's registrar. These changes will be made only on Tuesday of each week. The activities are conducted with a certain number of participants, based on priority registration. In case the participation number is reached, you need to select another activity.

Children should be dressed in athletic/comfortable clothes and shoes. They may bring a hat, sunscreen and a change of clothes if they wish.

For participation in the swimming program the child must have:

- A swim cap, athletic swimwear, goggles, beach sandals, sunscreen, a change of underwear, shower gel and a towel or bath robe.

For participation in the tennis program the child must have:

- A children's tennis racket (optional).

For all other activities no special attire is required.

If use of the school bus is requested, a guardian must be with the child in the morning at the agreed time and designated stop for pick-up. If this is not possible, it is up to the parent to bring the child to the Summer Camp. A guardian must also be at the designated stop in the afternoon to pick up the child from the bus. Children will be given ONLY to the persons designated by the legal guardians. If no one is at the pick-up point when the child arrives, the child stays on the bus for the completion of the route and is returned to the College; it is then the parent's responsibility to pick them up.

Children are expected to come and go only during the designated camp hours to ensure the smooth running of the program.

For medical emergencies during the child's presence at the Summer Camp, the medical office will immediately notify the parents at the telephone numbers stated on the application form.

Cell phones, electronic games, roller skates and skate boards are prohibited during camp hours.

The Summer Camp assumes no responsibility for the loss of cell phones or other personal items.

The Summer Camp reserves the right to remove a child who repeatedly disobeys the rules and displays disorderly behavior. Under these circumstances a refund will not be given.

The Summer Camp reserves the right to display photographs and video material of participants on the College website or other promotional materials (brochures, flyers, posters, etc.) unless the Camp's registrar is notified otherwise, in written form, by the parent.

With submission of the application a down payment of 100€ is necessary.

Payment of the full amount must be made before the registered starting date.
