DEREЕ drops in the 4th place of the Commercial Super League Championship. - ✓ **Outdoor Recreation:** The **Lake Tsivlou hiking trip** was attended by twenty-three people who were given the opportunity to enjoy the beautiful nature of Mt. Helmos, river Krathis and of course the incredible lake Tsivlou. The infatuating nature varied from pine tree – covered slopes, to dirt trails through thick forests, to rivers and smaller lakes, and finally the lake itself. Different animal footprints betrayed a rich wildlife. The hikers' physical effort was rewarded with delicious food and local red wine at the taverna by the lake. Those who missed it will have the chance to join the Outdoor Recreation program on April 6th at our **Lousios River rafting adventure**. The **Climbing team** – which meets every Monday and Wednesday 14:00-16:00 at the DEREЕ Gym climbing wall for practice and instruction – is participating in two upcoming climbing events at the "Karavi" climbing range on Mt.
