

DEREE COLLEGE SYLLABUS FOR:		US credits 3/0/3
EN 3304 SOCIOLINGUISTICS (Updated Fall 2022)		UK LEVEL 5 UK CREDITS 15
PREREQUISITES:	WP 1010 Introduction to Academic Writing WP1111 Integrated Academic Writing and Ethics EN 2216 Introduction to Language	
CATALOG DESCRIPTION:	The course examines how speakers use language to express their social and cultural identity, the relationship between language and social factors (e.g., gender, age, social class), but also issues such as multilingualism, language attitudes, language policies and language change.	
RATIONALE:	This course aims to provide students with insight into the social functions of language and into the ways in which language is used to convey social meaning.	
LEARNING OUTCOMES:	Upon successful completion of this course, to student should be able to: 1. Understand different sociolinguistic theories; 2. Analyse language in different social and cultural contexts; 3. Understand principles of sociolinguistic variation and mechanisms of language change; 4. Demonstrate ability to select appropriate literature and/or methodology to explore a field-related issue in written form.	
METHOD OF TEACHING AND LEARNING:	In congruence with the teaching and learning strategy of the college, the following tools are used: <ul style="list-style-type: none"> • Lectures and class discussions; • Formative exercises and online learning tasks through the Blackboard online tools designed to help students acquire confidence and benefit from independent study; • Use of the Blackboard Learning platform to post lecture notes, assignment instructions, announcements, as well as additional resources; • Other relevant educational material placed on reserve in the library; • Individualised assistance during office hours for further discussion of lecture material, additional reading, assignments and examinations.
