

DEREE COLLEGE SYLLABUS FOR: SO 3046 THE SOCIOLOGY OF EMOTIONS	
<div>UK LEVEL 5</div> <div>UK CREDITS: 15</div> <div>US CREDITS: 3/0/3</div> <div>(Spring 2024)</div>	
PREREQUISITES:	
CATALOG DESCRIPTION:	<p>An introduction into the study of emotions as social constructs. Merits of the sociological approach in understanding the operation of emotions. Emotions examined in relation to class, racial and gender categories. Emotions as objects of social control and regulation, construction, and negotiation. Analysis of positive and negative emotions as the necessary link between social structure and social actor.</p>
RATIONALE:	<p>Emotions are often thought of as purely subjective experiences.</p> <p>The course will introduce students to the social and collective aspects of emotions. In doing so, a wide range of topics will be covered, including the social and cultural nature of emotions, the social construction of emotions, social norms about emotions, disparities of emotional experiences based on class and race and gender and the ways in which emotions contribute to social change. Finally, the course aims at a wide audience including students from psychology, anthropology, history, political science, and business.</p>
LEARNING OUTCOMES:	<p><u>As a result of taking this course, the students should be able to:</u></p> <ol style="list-style-type: none"> 1. Demonstrate understanding of the most influential sociological theories in the field of the sociology of emotions. 2. Evaluate the influence of structural and cultural factors on emotional experience. 3. Examine various sociological debates and evaluate critically the different approaches to emotions. 4. Analyze the role of emotions in political life and social change.
METHOD OF TEACHING AND LEARNING:	<p>In congruence with the teaching and learning strategy of the college, the following tools are used:</p> <ul style="list-style-type: none"> ✓ In-class analyses of original texts. ✓ Use of blackboard blogs and additional resources. ✓ Extensive instructor feedback on formative assignments. ✓ Office hours: students are encouraged to make full use of the office hours of their lecturer, where they can address issues

	pertinent to the course material, ask questions and seek guidance on their reading and research paper.
ASSESSMENT:	Summative:
	First Assessment: Midterm Examination Essay–type questions combination (with choice included) 40%
	Final Assessment: Term Paper 60% (2,500-word term paper based on informative, critical and evaluative presentation/analysis of a topic using mainly secondary sources) <i>For the paper to receive a grade, timely submission of all preparatory work is required (e.g., topic proposal, annotated bibliography). Failure to submit the preparatory material will result in an FA grade.</i>

	<p>Formative: Two application assignments.</p> <p>(Each assignment analyzes, based on specific readings, an everyday life application: Indicative questions to guide the students' work include: What do the readings tell us about this example? How do they illustrate the social nature of emotions? How do they relate to current events, or provide a useful way to look at the world?)</p> <p><u>In-class assignments.</u></p> <p>Fulfills Learning Outcomes 1, 2.</p> <p>The first assessment tests Learning Outcome 1,2,3</p> <p>The final assessment tests Learning Outcomes 1,2,3,4</p> <p><i>The final grade for this module will be determined by averaging all summative assessment grades, based on the predetermined weights for each assessment. If students pass the comprehensive assessment that tests all Learning Outcomes for this module and the average grade for the module is 40 or higher, students are not required to resit any failed assessments.</i></p>
