## FIRST ITHM INTERNSHIP FOR CREDIT COMPLETED

The International Tourism and Hospitality Management (ITHM) program of DERE E – The American College of Greece launched the 1<sup>st</sup> ITHM internship for credit during the summer of 2012. More specifically, two of our students, M. Sarantopoulou and S. Manolakakis, successfully completed their internship in the Aldemar Paradise Mare All-inclusive hotel in Rhodes. S. Manolakakis was also awarded “student of the month” for the month of August. Furthermore, we feel that Aldemar’s contribution to the successful completion of the internships was indeed significant, as it was the guidance of the hotel supervisors that enhanced the learning experience of the two interns. We are looking forward to the Summer Internship of 2013.

## DEREE STUDENT GOVERNMENT

- ✓ Congratulations to our new Study Abroad Representative Jessica Diaz and International Student Representative Melina Malliaroudakis! Welcome to the DERE E Student Association!
- ✓ Several complaints have been lodged about maintenance of certain areas on campus; we will be addressing these issues with Technical Services to find the best possible solution.
- ✓ Members of the student body have been demanding a General Assembly through posts on unofficial Facebook pages by indicating that it is mandatory as stated in the DSA Constitution and By-laws. Please know that there is no such article in the DSA Constitution and By-laws. However, there are Senators you have voted for to “represent the collective voice of the student body”; use your representatives, Senators and Student Government officers, to voice your concerns and problems. We are always listening.
- ✓ The Student Government will be scheduling open forums with the societies. Please look for dates and times to be posted in the *This Week at a Glance* section and join us! We want to hear what you have to say!
- ✓ Academic issues, including the request to have a complete course schedule for the entire academic year available at the beginning of the year, will be discussed with the Academic Deans. Updates will be posted in upcoming issues of *What’s Up @ DERE E*.
- ✓ Midterms week! Good luck everyone!
