

ATHLETICS!

- ✓ **Men's Basketball:** Another win for the Men's Basketball team on Sunday, November 25th when they played against *Regency* in the Commercial Super League Championship for a winning score of 54-50. Our boys played such good defense that they overcame a 14 point difference established in the second quarter, and won the game.
- ✓ **Women's Basketball:** Despite their best efforts, the Women's Basketball team paid a dear price for the bad beginning to last Wednesday's game against *Academia's 2008*. Winning the second half by 3 points wasn't enough to win the game which resulted in a score of 40-31.
- ✓ **Women's Volleyball:** Congratulations to the Women's Volleyball team! On November 21st our girls played against *Spata* and landed a 3-1 victory.
- ✓ **Men's Soccer:** It seems DEREЕ is on a roll! On Wednesday, November 28th our Men's Soccer team beat *Deloitte* 2-1 in a *Commercial Super League Championship* game. Out of the nine (9) championship games played this semester, our boys have managed to win five (5) – quite an accomplishment in an official championship. Go DEREЕ!

- ✓ **Intramurals:** Super fit, indoor timed climbing, ping-pong, table soccer and tennis tournaments and competitions will finish by Thursday of the last week of classes. Results will be announced on the last day of classes and medals and awards will be given then. A big "thank you" to all participants and congratulations to the winners! "Like" our Facebook page for all updates, photos, results and new competitions and tournaments.
- ✓ **Outdoor Recreation:** Fall semester outdoor activity wraps up with the Paintball tournament on Saturday, December 1st. More than 35 DEREЕ students signed up for the event and the experience was unique. Look out for Spring semester's program to be announced soon!
- ✓ **Indoor climbing** practice and instruction for this semester ends on Wednesday, Dec. 5th. Those interested in participating next semester please contact ckoutras@acg.edu for the new schedule. More exciting stuff indoors and on the mountain coming up!

TRENDENCE GRADUATE BAROMETER 2012

Visit www.trendence-gradbarometer.eu and complete an online survey; Europe's largest education and career survey. Our college is one of over 1000 educational institutions taking part in it. The questions asked include how satisfied you are with your studies and what you expect from your future career. The survey gathers student opinions from across Europe and explores differences and similarities that exist among the individual countries. After completing the survey, you can compare your answers to the average results of students in Europe. Furthermore, you have the chance to win one of the following prizes:

* 5 x Amazon coupons 500 euros each

* 10 x Amazon coupons 200 euros each

This survey is conducted with our research partner the Trendence Institut. We can reassure you that your answers will be anonymous and your data will be legally protected.
