ATHLETICS

- ✓ **Men's Soccer:** On February 5th our **Men's Soccer** team won the Commercial Super League Cup game against *IBM* (2-1) and qualified for the next round. Out of the forty-four teams that originally competed in the C.S.L. Cup Trophy, only sixteen now remain. In the words of famous basketball player and coach, John Wooden: "Winning takes talent, to repeat takes character". Good work boys!
- ✓ **Women's Basketball:** The **Women's Basketball** team played their best game of the season on February 6th when they went up against *AO Markopoulou* and won 54 to 32. Team member, Eleni Chronopoulou, explains why this game was so exceptional: "Besides playing great offense and defense, all the team members had the opportunity to play and score!"
- ✓ **Intramurals:**
 - 5x5 Basketball tournament is starting on Tuesday, Feb. 12. Watch the games support the teams!
 - 3-point shootout: Feb. 26 (register by Feb. 21)
 - Super Fit competition has started and will continue until the end of the semester. Unbelievable records last semester wait for new record breakers.
 - Timed climbing competition: every Monday and Wednesday, 14:00-16:00 at the climbing wall
 - Tennis Men's division, Women's division: Best man plays against best woman for the super cup at the end.
 - Ping-Pong Men's division, Women's division: Best man plays against best woman for the super cup at the end.
 - Registration and info for the above and for all upcoming through: ckoutras@acg.edu*
- ✓ The **Kalavryta ski trip** was the best attended event of the two last semesters as fifty-two people crowded the 52-seat bus. The cold and windy weather of the ski center did not affect the fun mood and the participants either skied, snowboarded or simply spent the day at the chalet or taking long rides with the lifts. All those who missed out (more than another 15 – 20 people) keep in touch with the Outdoor Recreation area through the ACG site or our Facebook page and get all the latest on upcoming trips.
- ✓ The **climbing wall** is in full use every Monday and Wednesday, 14:00-16:00. Join us to learn the basics on climbing, try yourself out, and get ready, if you feel like it, for the actual thing – Rock Climbing trip on Mt. Hymettus – Karavi climbing area (coming up on April 27). The activity is suitable for novice and experienced climbers alike.
- ✓ The **Outdoor Recreation** area is organizing a **hiking trip to Lake Tsivloulou in Peloponisos**. The short walking distance (approx. 1.5h), the natural beauty of the area, and the lake promise to make it a great event for novice hikers. Lunch at the local tavernas will round up the day. **Deadline to sign up: February 20.** Detailed information: ckoutras@acg.edu

- ✓ **University of the Incarnate Word:** The campus of the University of the Incarnate Word is located about 10 minutes from downtown San Antonio. The San Antonio River runs through this beautiful tree-lined campus. At one time, the natural beauty as well as the clear spring water made it a favored campsite for Native American tribes. Archeological studies have produced Paleo-Indian projectile points that date back 11,000 years. UIW's curriculum offers students an integrated program of liberal arts and professional studies that includes a global perspective and an emphasis on social justice and community service. The UIW is an institution that welcomes to its community persons of diverse backgrounds, in the belief that their respectful interaction advances the discovery of truth, mutual understanding, self-realization and the common good.
Location: San Antonio, Texas
- ✓ **Northern Arizona University:** Northern Arizona University is a wonderful public US institution, located in Flagstaff, Arizona. Today it serves approximately 25,000 students with 95 undergraduate degrees and the rigorous, interdisciplinary education needed for success in an ever-changing world. At the same time, research at NAU strengthens the outstanding education provided by the university, fosters continued learning of students, faculty and staff, and benefits our region and society.
