## ATHLETICS!

- ✓ **Intercollegiate Athletics:** It was a week of tough competition for our intercollegiate teams. Their opponents were challenging - to say the least - and despite our teams best efforts the Women's Basketball and Volleyball teams lost to their opponents and the Men's Soccer team tied for the Commercial Super League Soccer Championship.

We all need to help lift their spirits by showing our support and attending the next games:

Women's Volleyball	November 21st (DEREE at EAO Spaton) at the Public Gym of Spata (21:30)
Women's Basketball	November 21st (DEREE at Academia 2008) at Ilioupolis_A (21:30)
Men's Soccer	November 17th (DEREE vs. Neo Kosmo) on the DERE E soccer field (18:00)

- ✓ **Intramurals:** 5x5 Women's Soccer Intramural tournament is coming up. The tournament will start right after Thanksgiving break and will be a speedy and competitive one. Sign up your 5 or 6 player teams by Monday, November 26th at ckoutras@acg.edu

After popular demand, the second Intramural Darts tournament for this semester is scheduled for Tuesday, November 27th, at 13:40. The Office of Athletics – Intramurals area invites all to take part. No physical strength – no extraordinary marksmanship (!) required. Share in the (extreme) fun!

- ✓ **Outdoor Recreation:** Office of Athletics - Outdoor Recreation area organizes a Paintball tournament on Saturday, December 1st. Don't miss the opportunity to try a physically and mentally challenging game. Deadline to sign up: Tuesday, November 27th. Detailed information and sign ups at ckoutras@acg.edu

- ✓ **Indoor climbing** is taking place every Monday and Wednesday, 14:00-16:00. Here's your chance to learn climbing techniques, knots, rappelling and use of climbing gear with us. Frequent rock climbing trips for beginners and more experienced. Join us and conquer your peaks! Info: ckoutras@acg.edu

## STUDY ABROAD: NEW EXCHANGE PARTNERSHIPS!

We are very excited to announce new exchange partnerships with two major universities, one in the United States and the other in Europe. Our US partnership is with Wheaton College, founded in 1834, located in Massachusetts, US and ranked 56th out of more than 260 National Liberal Arts Colleges in the 2013 U.S. News & World Report America's Best Colleges issue. Our European partnership is with the Kühne Logistics University (KLU) in Hamburg, Germany. Established in 2010 and ranked 7th in research strength among all business faculties in Germany, Austria, and Switzerland, the KLU's two main departments are in Logistics and Management, and Economics. The purpose of these partnership are not only to enhance strong ties with academic institutions globally but also to be able to provide both DERE E and partner university students the opportunity to study in a new and diverse environment for a semester in the context of the DERE E Study Abroad Program. To take advantage of our exciting study abroad opportunities, we invite you to come by and talk with us in The Study Abroad Office or e-mail us at studyabroadoffice@acg.edu
