

Financial Assistance Program 2018-2019

Need-based Financial Assistance (Grants)

Prospective and current students who are unable to meet their tuition obligations due to economic difficulties may apply for a tuition reduction grant. Grants vary from 5% to 35%.

Financial assistance is given for tuition only and does not cover other fees. It is awarded for one academic year with the possibility of renewal in subsequent years following submission of an application within the deadlines set by the college.

- Non-degree students are not eligible to apply for need-based financial assistance.
- Only complete applications with all necessary documentation, submitted within the respective deadlines will be evaluated.

- All communication regarding the progress of an application is done through the personal email address (as reported in the application form) and/or through the students' *ACG Mail* and *myACG* portal (for continuing students).
- As funding for financial assistance originates from the College's own resources and from the generous contributions of donors, the College reserves the right to rename a need-based financial assistance grant to a scholarship.
