Public.gr

Ordering Process

step by step
Public.gr Ordering Process step by step

**Step 1**
- Log on to public.gr using the link you have received on the e-coupon.
- From there, you can select the products that interest you.
Step 2

• Once you have selected the category you are interested in, you will be redirected to a page displaying related products in that category.
• Find those you are interested in and add them to your cart.
Step 3

• From the cart, select the delivery method, either to your location or any of Public’s 49 branches.

• In addition, you can see the delivery dates, separately for each delivery method.
Step 4

- Begin registering your order by logging in or signing up, depending on whether or not you have ordered before.

- If you have ordered from us before, “Log in” or
- If you are a new customer, “Sign up” respectively
Ordering Process step by step
