Why Us?

We are a new diving center near Athens, run by a professional diver with more than 20 years’ experience in diving and teaching and a team of highly trained and passionate professionals. Diving and snorkelling, like any sport, are safe when conducted according to the rules. Safety is our top priority, and we pride ourselves on providing a welcoming, safe and fun environment in which to learn and explore.

Γιατί εμάς;

Είμαστε ένα νέο καταδυτικό κέντρο κοντά στην Αθήνα, το οποίο διευθύνει ένας επαγγελματίας δύτης με πείρα άνω των 20 χρόνων στην κατάδυση και την διδασκαλία, πλαισιωμένος από μια ομάδα παθιασμένων με τη θάλασσα επαγγελματιών. Η κατάδυση και η κολύμβηση είναι ασφαλή εφόσον διενεργούνται σύμφωνα με τους κανόνες. Η ασφάλεια είναι η πρώτη προτεραιότητά μας και έχουμε φτιάξει ένα φιλικό, ασφαλές και διασκεδαστικό περιβάλλον μέσα από το οποίο θα καταλάβετε την θάλασσα.

Get to know SCUBA diving with a Discover Scuba Diving program. Accompanied by an experienced instructor, you will get a first-glimpse of the enchanting underwater world.

The course lasts approximately 3 hours and includes:
• a brief introduction to the essentials of scuba diving,
• an introduction to diving equipment in shallow water,
• your first dive, lasting about 45 minutes to a maximum depth of 5 meters.

All you need is your swimsuit, flip flops, towel and your spirit of adventure!

We are a short drive away from Athens, making the whole program an ideal half-day excursion. Join us for your first underwater diving experience!

If you loved breathing underwater, why not enrol in a diving certification program. You will need a minimum of two full days for a Scuba Diver Course.

Choose your dive among wrecks, caverns, deep drop-offs, or simply shallow reefs with perfect visibility. Our fun, passionate and well-trained team will take you there, aboard our comfortable 10m long diving RIB, using brand new scuba equipment, and tanks containing pure air filled by our state-of-the-art Bauer compressor.

Escape the big city hassle by joining our snorkeling boat trips. Embark on our 10m long custom-made diving RIB, just an hour’s drive away from Athens. We will take you snorkeling at the foot of the world-renowned ancient temple to Poseidon at Sounion, exploring the caverns of islets, swimming the crystal clear waters of the Saronic Gulf!
