The student will receive written notification from the Vice President of Enrollment & Administration regarding the decision on the appeal.
Sanctions for violations of the Student Conduct Code are given by the Dean of Students following the above mentioned Reporting Process and by the Executive Director of International Student Services in response to incidents involving study abroad/international students, \textit{with the exception of violations marked with an asterisk (\textbf{*})}. Sanctions can be proposed by the Executive Director of Housing & Residential Services, if the violation occurred at the Residence Complex.

For the imposition of a sanction, the nature and the severity of the misconduct, the students’ conduct history and the harm and damage inflicted will be taken into consideration.

Repeated violations or single incidents comprising multiple violations will result in more severe sanctions.

**Reprimand**

Verbal reprimands for inappropriate behavior amounting to a violation of the Student Conduct Code or the Residences Rules and Regulations are given by the Dean of Students. Reprimands are registered in internal records.

**Written Warning**

Written Warnings that admonish the students involved in a violation of the Student Conduct Code or the Residences Rules and Regulations are given by the Dean of Students and may notify the student that further misconduct/violation(s) could result in additional conduct proceedings and sanctions. Warnings are registered in internal records.

**Disciplinary Sanctions**

All Disciplinary Sanctions are communicated to the student(s) through an Admonishment Letter.

- **Reflective Work**

Along with a written warning, students may be asked to complete educational activities intended to involve the student in a positive learning experience related to the student’s unacceptable behavior. Educational activities allow students to reflect upon their inappropriate behavior, to understand why their behavior was inappropriate, and to educate other students, so they do not find themselves in similar circumstances.

These may include, but are not limited to:

- A campus service project: Hours for restitution will range from 5 to 15 hours, depending on the severity of the offense and the students’ conduct history.

- A personal assessment, mediation, or counseling: A student may be
required to complete a specified assessment relative to the violation committed; all assessment reports shall be submitted to the Dean of Students and will become part of the students’ conduct record.

- A reflection paper: A student may be asked to write a paper related to the implications of the student’s conduct.

- **Restriction/loss of College Privileges**
  The student may lose the privilege of participating in activities that include, but are not limited to, participation in athletic, musical and theatrical productions, clubs, societies and organizations and other College sponsored events for a specified or indefinite period of time and may be denied the use of facilities such as the gym, the pool and the Residence Complex.

- **Removal from the Residence Complex**
  The student may lose the privilege of living at the Residence Complex and parents/guardians or the partner institution may be notified accordingly. This sanction is proposed by the Executive Director of Housing and Residential Services and imposed by the Dean of Students (local students) or the Executive Director of International Student Services (study abroad/international students).

- **Student Conduct Probation**
  An Admonishment Letter for student conduct probation should be understood to mean that any further violation(s), even of a minor nature, could warrant immediate suspension or expulsion from the College. The duration of the student conduct probation, typically not less than one semester, affects the non-academic status of the student. During this time, the student cannot hold an elected or appointed office in any student organization, club or society registered with the College, represent the College in any extra/co-curricular activity or official function, work at the College through the Work Study program, or apply for a position to the International Internship and Study Abroad Program. Any student placed on conduct probation may lose scholarships (e.g. academic scholarship or other merit based institutional gift aid).

- **No-Contact Order**
  A student may be prohibited from communicating in any way and medium (i.e. through third parties, telephone, visitation, email, social networking sites, letters, etc.) with a named individual or group.

- **Temporary Suspension**
  The student is suspended from taking classes, using the College facilities and taking part in any College event, pending conduct proceedings, for a specified period of time at the discretion of the Dean of Students where it is believed the student would constitute serious disruption or danger to the health, safety or welfare of the College, others, or oneself. Temporary suspension will remain pending until the completion of the conduct process.
• **Suspension**

The student is suspended from taking classes and or living in the Residence Complex for a specified or indefinite period of time. The student must comply with all sanctions prior to readmission.

*Note:* Students suspended from the College and/or Residence Complex, regardless of the amount of time remaining in the semester, are not eligible for refunds or rebates for charges associated with housing, tuition or fees.

• **Expulsion**

The student is permanently expelled and cannot be readmitted to the College.

*Note:* Students expelled from the College, regardless of the amount of time remaining in the semester, are not eligible for refunds or rebates for charges associated with housing, tuition, or fees.

**Notification of Parents, Guardians, Home/Sending Institutions**

The College respects and protects the confidentiality of student records. In extraordinary circumstances such as serious injury to a student, a violent crime committed by or upon a student, serious concerns or threats to a student’s physical or emotional health, and other sufficiently grave incidents, which cannot be exhaustively enumerated or described in the nature of things, the College may notify parents or guardians.

The College is committed to the student’s best interest and, in special circumstances, will discuss the matter with the student to assess whether such notification is undesirable or inappropriate. The Dean of Students or the Executive Director of International Student Services in the case of incidents involving study abroad/international students may send a notification or a copy of the student’s Admonishment Letter to the address on file for parents/guardians of students. Whenever possible, a conversation in person will be held with both the student and the student’s parent or legal guardian.

Home/Sending institutions of study abroad/international students may be notified about student misconduct by the Executive Director of International Student Services or the Dean of North American Enrollment & Study Abroad.

**Records** of all sanctions imposed will be retained in the Student File at the Office of the Registrars and a file will be created for students involved in incidents at the Office of Student Affairs. College officials including, but not limited to, Academic Deans, Advisors, Department Heads, Coaches may be informed of the sanctions imposed.

Failure to comply with sanctions as directed may result in additional disciplinary sanctions including suspension or expulsion from the College.
