

Pharmaceutical Medicine

Leadership in Patient Safety Journey: Active Pharmacovigilance & Pharmacoepidemiology

In-class (classroom CN3106)

SCHEDULE

Monday, October 24, 2022 | EET 17:30-20:30

MODULE 1 Patient Safety

17:25-17:30 Moderator welcome and introduction

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

17:30-19:00 Patient Safety Journey in Healthcare

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

19:00-20:30 Regulatory Science & Patient Safety aspects

Grigorios Agkyralidis, PharmD, MSc, Head of Regulatory Affairs Boehringer Ingelheim Hellas Single Member SA

Monday, October 31, 2022 | EET 17:30-20:30

MODULE 2 Safety Surveillance and Vigilance

17:25-17:30 Moderator welcome and introduction

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

17:30-18:30 Medicines & Vaccines Key aspects

Eleonora Sarikou, BSc in Biology, MBA in Health Management, Pharmacovigilance & Regulatory Manager, Medical Department GlaxoSmithKline, Greece

Anastasia Sideri, PhD Biochemistry/Protein Engineering, BSc Genetics/Microbiology, Medical Affairs Manager Excelya

Maria Polydorou, PharmD, MSc in Clinical Pharmacy, Director of Pfizer's Pharmacovigilance Departments for Southeastern Europe Cluster

George Christias, MSc Medical Inf. & Patient Safety Manager, Country DPO Deputy

18:30-19:30 Medical Devices & Cosmetics Key aspects

Alexandra Patrinely, BSc, PhD, Pharmacovigilance Manager, Menarini Hellas

Errietta Oikonomou, Physicist, MSc in “Medical Electronics and Physics”, Head Pharmacovigilance at Creative Pharma & HR Services

19:30-20:30 Current Trends in Pharmacovigilance

Christina Tsougkou, PharmD, Safety Value Partner, Roche (Hellas) S.A.

Alexandra Falara, BSc, MSc, Pharmacovigilance Manager “Pharmassist Ltd”

Monday, November 7, 2022 | EET 17:30-20:30

MODULE 3 Pharmacovigilance and Pharmacoepidemiology

17:25-17:30 Moderator welcome and introduction

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

17:30-18:30 Epidemiology studies

18:30-19:30 Safety studies

19:30-20:30 ENCePP Guidelines

Christos Kontogiorgis, Assoc. Prof of Hygiene and Environmental Protection, Medical School of Alexandroupolis, Democritus University

Elena Deligianni, Pharmacologist, MSc, PhD Student

Foteini Dermiki-Gkana, Pharmacist, Postgraduate Student

Monday, November 14, 2022 | EET 17:30-20:30

MODULE 4 Precision Medicine

17:25-17:30 Moderator welcome and introduction

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

17:30-18:30 Medicines Discovery & Development Safety Monitoring

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

18:30-19:30 Precision Medicine, Pharmacogenomics & Patient Safety

Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

19:30-20:30

Advanced Therapies Medicinal Products safety challenges

Eirini Chatzopoulou, Biology BSc, Patient Safety Specialist, Patient Safety Department, Global Drug Development, Novartis

Adamantia Maniatakou, Chemistry BSc, PhD, Patient Safety Specialist, Deputy of Patient Safety Head, Global Drug Development, Novartis

Gene Therapy in the New Era of Medicinal Intervention

Ioannis Karagiannis, Associate Medical Director Greece, Cyprus & Malta, Novartis Gene Therapies Switzerland

CAR-T cell therapies in the treatment of hematologic malignancies
Stella Florini, Biologist (PhD), Cell Therapy Medical Manager, Novartis Greece

Monday, November 21, 2022 | EET 17:30-20:30

MODULE 5 Public Health

- 17:25-17:30 Moderator welcome and introduction
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect
- 17:30-19:00 Patient Preference studies
19:00-20:30 Patient Reported Outcomes & Patients Reported Experiences, Measurements
Eugena Stamouli, PharmD, Health Economist, Visiting Research Fellow, University of York, UK, Founding Partner PharmEcons

Monday, November 28, 2022 | EET 17:30-20:30

MODULE 6 Patient research studies methodologies and safety aspects

- 17:25-17:30 Moderator welcome and introduction
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect
- 17:30-19:00 Digital Health & Patient Safety
Pharmacovigilance & Public Health
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect
- 19:00-20:30 Health Economics & Patient Safety
Konstantinos Zisis, PhD Candidate, Health Technology Assessment, Health Policy Dept, University of West Attika

Monday, December 5, 2022 | EET 17:30-20:30

MODULE 7 Patient Health Literacy and Patient Safety aspects

- 17:25-17:30 Moderator welcome and introduction
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect
- 17:30-18:30 Health Literacy and Health Communication aspects
Nikos Dedes, President, Greek Patients Association
- 18:30-19:30 Patient empowerment in reporting adverse events
K.E.F.I. Patient Association President & Board Members
Elisavet Psilopoulou, Vice President K.E.F.I.

19:30-20:30 COVID-19 Vaccines & Vaccination Safety Communication related aspects
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

Monday, December 12, 2022 | EET 17:30-20:30
MODULE 8 Patient Safety & Quality of Care

17:25-17:30 Moderator welcome and introduction
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect

17:30-20:00 Patient Safety and Quality of Care in Clinical Medicine
Nina Maguina-Vlachantoni, MD, PhD, Consultant in Respiratory and Critical Care Medicine, ex Director of the Critical Care Unit of Konstantopoulou Hospital 'Agia Olga' Athens, Greece

20:00-20:30 Key Highlights of the course
Varvara Baroutsou, MD, PhD, GFMD, EMAUD, Internist, President EL.E.F.I., IFAPP President Elect
