Financial Assistance Program 2024-2025 Need-based Tuition Reductions (Grants)

Need-based Financial Assistance (Grants)

Need-based tuition reductions (Grants) varie from 5% to 35%. They are given for tuition only and do not cover other fees. They are awarded for up to ten consecutive semesters to degree-seeking students and for up to six consecutive semesters to minor-seeking students. They take effect upon approval, while their duration is determined by the recipient's initial entry at the college.

Financial Assistance Terms and Conditions

- Applicants who are awarded Financial Assistance must:
 - file taxes in Greece.
 - maintain a minimum Cumulative Index (CI – Career Totals GPA) of 2.20/4.00. (Note: Students who entered or were readmitted to Deree prior to the 2017 Fall Semester must maintain a CI of 2.00/4.00.)
 - earn passing grade(s) in EAPP courses if studying in the English for Academic Purposes Program.
 - register continuously for the Fall and Spring semesters for at least one course per semester.
 - continue to have financial need and prove it at any time, if called upon.
- Non-credit courses are not covered by the tuition reduction grant except for courses in the English for Academic Purposes Program (EAPP).
- Students on academic probation (CI below 2.00/4.00) are not eligible to receive any kind of financial assistance.
- Non-degree students are not eligible to apply for need-based financial assistance.
- Only complete applications with all necessary documentation, submitted within the respective deadlines will be evaluated.
- All applications and supporting materials are retained by the Financial Assistance and Planning Office under conditions of security and strict confidence, and in accordance with the provisions of Regulation (EC) 2016/679 of the European Parliament and of the Council ("General Data Protection Regulation") and the Greek legislation on the protection of personal data (Law 4624/2019), as in effect from time to time (the "Personal Data Legislation").
- All communication regarding the progress of an application is done through the personal email address (as reported on the application form) and/or through the students' *ACG Mail*.
- As funding for financial assistance originates from the College's own resources and from the generous contributions of donors, the College reserves the right to rename a need-based financial assistance grant to a scholarship. Such conversion will serve as recognition of the recipient's academic performance and will not alter the terms or obligations that arise from the original reduction.
